## **Professional Internships and Activities**

---

### **Summer Intern**

**2002**

South Carolina AHEC Future Health Professionals' Leadership Institute  
Furman University – Greenville, SC

Attended professional development seminars and educational lectures on various topics, including medical ethics.

### **Summer Intern**

**2002**

Greenville Memorial Hospital Department of Internal Medicine – Greenville, SC

Worked with patients in the clinical setting, assisted in minor bedside and operative procedures, and participated in daily and weekly conferences, including morning report, noon conferences, and grand rounds.

### **Program Participant**

**2003**

Duke University Summer Biomedical Institute (MMEP)

Duke University School of Medicine – Durham, NC

Participated in premedical, biological science, Writing in Medicine, and MCAT preparation courses. Activities included exposure to multiple areas at Duke University Medical Center, including Labor & Delivery, the Coronary Care Units, and adult and pediatric emergency rooms.

### **Research Assistant**

**2004**

University of Texas Medical Branch Department of Internal Medicine – Galveston, TX  
Faculty Mentor: Dr. Jie Du

Investigated the effects of insulin-like growth factor 1 (IGF-1) on smooth muscle cell migration in the setting of atherosclerosis. Findings presented at a university-sponsored poster presentation and to the Department of Internal Medicine.

### **Evaluator**

**2006-2007**

Teen Life Clubs Adolescent Health Program

Children's National Medical Center – Washington, DC

Performed impact evaluation of the Teen Life Clubs (TLC) program and developed a process evaluation plan for the program for future implementation

### **Intern**

**2008**

Yale School of Medicine Department of Endocrinology – New Haven, CT

Section of Pediatric Endocrinology

Faculty Mentor: Dr. William V. Tamborlane

Participated in a fellowship-style summer research program that fostered learning in all aspects of clinical pediatric endocrinology with an emphasis on type 1 diabetes mellitus care and patient education. Also participated in initial groundwork that would serve as

the basis for a polycystic ovarian syndrome screening program in female adolescent type 1 diabetic patients.

**Co-Coordinator**

**2009**

Global Youth Service Day, Cleopas R. Johnson Park – Atlanta, GA

Co-sponsored by Morehouse School of Medicine Department of Community Health and Preventive Medicine

Faculty Mentor: Dr. Meryl McNeal

Applied for and received a grant from Youth Service America in conjunction with State Farm Insurance to implement a community service project for Global Youth Service Day 2009. This grant funded a community clean-up and beautification event in the Castle Hill neighborhood with the purpose of promoting health and physical activity by educating youth on the importance of green space.

**Other Work Experience**

---

**Student Assistant**

**2001-2005**

Furman University Financial Aid Office – Greenville, SC

Responsibilities included data entry, loan processing and record upkeep. Daily tasks included arranging financial aid meetings and preparing loan education seminars.

**Receptionist**

**2005-2007**

King & Nordlinger LLP Law Firm – Arlington, VA

**Faculty Advisor**

**2009**

National Youth Leadership Forum on Medicine – Chicago, IL

Duties included guiding a small group of 20-25 high school students through their forum experience, including hospital and medical school visits, facilitating small group discussions and activities ranging from public health and health care disaster problem-solving to medical ethics. Responsibilities also included program logistical support.
